

Title IV Authorization and Prior Award Year Charges Form

Federal regulations require authorization from the student to use Title IV funds (i.e., federal financial aid) to pay prior term, prior award year and/or current term non-educational charges. No more than \$200 of Title IV funds in excess of my current term enrollment fees and dorm room charges may be used **for any prior AWARD YEAR charges** that I owe the University. Without my permission, my federal aid will pay only enrollment fees and dorm room charges. I acknowledge that I will be responsible for any charges that Title IV funds and other funds will not cover. I understand I may not **receive any refunds from federal aid until I pay all charges owed to The University of Memphis.**

NOTE: Please check TigerXpress through your SPECTRUM account to determine your account balance.

Please check the appropriate statement.

_____ **I voluntarily authorize The University of Memphis to credit all Title IV funds to my student account to pay current educational charges, non-educational charges and prior TERM charges. I also voluntarily authorize The University of Memphis to pay prior AWARD YEAR charges not exceeding two hundred dollars (\$200.00). I understand this authorization will remain valid while enrolled at The University of Memphis, and I may cancel this authorization, in writing, at any time.**

_____ **I do NOT authorize The University of Memphis to credit Title IV funds to pay current non-educational charges as well as prior term and/or prior award year charges. I understand I will pay for these charges myself before receiving any refunds and failure to do so may result in deletion of my classes.**
